All: Since I summarized the 25 May meeting, I've learned that Lac du Flambeau does not consider any 2016 workplan to have been "jointly prepared", as I described it in Item 7. I apologize for my misunderstanding. I expect that at this point, the urgency of consensus project planning is apparent to all. I look forward to our next conversation, tentatively planned for 8:00, 9 June.

Vr,

Subject: tech meeting notes, 25 May 2017

All: I attached the meeting summary from our call on 25 May 2017. There were several commitments made, including other meetings to arrange. Please let me know as those come together. Thanks.
